

Heidi Baur

Clinical Consultant

Heidi Baur RN, MS, NE-BC has over 28 years of progressive management experience in nursing, clinical support and Healthcare administration. An engaged leader who is outcome oriented and a strong emphasis on patient safety and high quality care. She thrives on mentoring and developing staff.

For the past 6 years Heidi was Chief Nursing Officer at St. Christopher's Hospital for Children where she facilitated improvements in nursing, pharmacy, respiratory, and Social work. She along with her team led the organization to Magnet re-designation and was the clinical lead for a 110-million-dollar critical care tower expansion. Heidi also oversaw 6 consecutive years of 5-star patient satisfaction scores. She performed a productivity review and was able to eliminate contract labor and brought overtime and other premium pay practices under budget.

Heidi received her Master's of Science in Healthcare Administration at University of Maryland University College and Bachelor's of Science in Nursing at Rutgers's University, College of Nursing. She is affiliated with American Organization of Nurse Executives and American Nurses Association. She is a board certified Nurse Executive.
